Dear Colleague

**St Mary's Church of England Primary School Twickenham – Admissions Policy Consultation**

As you are aware, the Governing Body is required to consult on its proposed admission arrangements. Please find attached a copy of the draft admissions policy for St Mary's for 2015/16. There are no material changes to the admissions policy this year and the only minor changes involve a tightening of the definition of the home address to preserve fairness within the admissions process.

Responses must be received by Friday February 28<sup>th</sup> 2014. You can write to the above address or email [info@st-marys.richmond.sch.uk](mailto:info@st-marys.richmond.sch.uk). If you have not heard anything by Friday 7<sup>th</sup> March 2014 you should assume no changes have been made and that the attached policy is the final version as determined by the Governing Body.

Yours sincerely

Hugo Clark

Chair of Admissions
