AfC* Education Advisory Group Election Results

Thank you to all those governors who recently nominated themselves and participated in the election process to sit on the newly created AfC education advisory group. I can confirm the following governors were elected for a three year term:

Frank Kitson - Grey Court School	Richmond secondary
Ruth Wright – Hampton Hill Junior School	Richmond primary
Heather McKissack - Coombe Secondary School	Kingston secondary
Vacancy	Kingston primary

The group will be advisory, not representative, and will provide high quality advice to ensure that educational policy development is underpinned by current educational thinking. This group will also help AfC formulate responses to changes in central government policy and think through business. AfC is committed to working in partnership with local schools and following up work done by this group. AfC will consult with all schools on issues that affect them and on occasion the Education Advisory Group may consult with schools to gain a wider perspective.
